This is one of a series of three checklists prepared by the Cataraqui Region Conservation Authority (CRCA). Another lists birds and a third focuses on plants of the Little Cataraqui Creek Conservation Area.

These checklists are available at the Outdoor Centre or the Administration Building at Little Cataraqui Creek Conservation Area.

As well as the Little Cataraqui Creek Conservation Area, the CRCA owns and operates:

- Lemoine Point Conservation Area
- Gould Lake Conservation Area
- Parrott’s Bay Conservation Area
- Lyn Valley Conservation Area
- Mac Johnson Wildlife Area in Brockville

The CRCA owns more than 4,000 hectares of conservation lands, boat ramps, trails, dams, environmentally sensitive areas, forests and wetlands.
