

ACERACEAE (maple family)
 Manitoba maple
 Red maple
 Sugar maple
ALISMATACEAE (water plantain family)
 Arrowhead
 Broadleaf arrowhead
 Wapatum arrowhead
 Water plantain
ANACARDIACEAE (cashew family)
 Poison ivy
 Staghorn sumac
APIACEAE (parsley family)
 Wild carrot/Queen Anne's lace
 Hairy sweet cicely
 Hemlock water parsnip
 Wild parsnip
APOCYNACEAE (dogbane family)
 Indian hemp
ARACEAE (arum family)
 Jack-in-the-pulpit
 Wild calla
ARALIACEAE (ginseng family)
 Wild sarsaparilla
ARISTOLOCHIACEAE (birthwort family)
 Canada wild ginger
ASCLEPIADACEAE (milkweed family)
 Milkweed
 Common milkweed
 Swamp milkweed
 White milkweed
 Black swallowwort
 European swallowwort
ASTERACEAE (aster family)
 Aster
 Arrow leaved aster
 Flat top white aster
 Large leaf wood aster
 Heart leaf aster
 New England aster
 Panicked aster
 Small white aster
 White heath aster
 Beggar ticks
 Nodding beggar ticks
 Black-eyed Susan
 Common boneset
 Common burdock
 Greater burdock
 Chicory
 Oxeye daisy
 Dandelion
 Elecampane
 Fleabane
 Daisy fleabane
 Philadelphia fleabane
 Rough daisy fleabane
 Meadow goat's beard
 Bog goldenrod
 Bluestem goldenrod
 Broad leaved goldenrod
 Canada goldenrod
 Early goldenrod
 Elm leaf goldenrod
 Flat top fragrant goldenrod
 Smooth goldenrod
 Tall goldenrod
 Glaucous hawkweed
 Orange hawkweed
 Tall hawkweed
 Spotted Joe Pye weed
 King devil
 Brown knapweed
 Lettuce
 Canada lettuce
 Field pussytoes
 Spiny leaf sowthistle

Rattlesnake root
 White rattlesnake root
 Common ragweed
 Thistle
 Canada thistle
 Bull thistle
 Common yarrow
BALSAMINACEAE (touch-me-not family)
 Touch-me-not/jewelweed
BERBERIDACEAE (barberry family)
 May apple
 Blue cohosh
BETULACEAE (birch family)
 Speckled alder
 American hornbeam/blue beech
 Gray birch
 Paper birch
 Yellow birch
 Beaked hazelnut
 Ironwood/hop hornbeam
BORAGINACEAE (borage family)
 Common viper's bugloss
 Corn gromwell
BRASSICACEAE (mustard family)
 Garlic mustard
 Worm seed mustard
 Dame's rocket
 Yellow rocket
 Field penny cress
 Field pepper grass
 Two leaf toothwort
BUXACEAE (box family)
 Japanese spurge
CAMPANULACEAE (harebell family)
 Creeping bellflower
CANNABACEAE (hemp family)
 Common hop
CAPRIFOLIACEAE (honeysuckle family)
 Northern bush honeysuckle
 American fly honeysuckle
 Mountain honeysuckle
 Tartarian honeysuckle
 Common elderberry
 European red elder
 Nannyberry
 Yellow leaf tinker's weed
CARYOPHYLLACEAE (pink family)
 Thyme leaf sandwort
 Common mouse ear chickweed
 Deptford pink
 Grove sandwort
 Bouncing-bet
 Bladder campion
 Lesser stitchwort
 Longleaf stitchwort
CERATOPHYLLACEAE (hornwort family)
 Coontail
CLUSIACEAE (St. Johnswort family)
 St. Johnswort
 Common St. Johnswort
 Marsh St. Johnswort
 Shrubby St. Johnswort
CONVOLVULACEAE (morning-glory)
 Field bindweed
CORNACEAE (dogwood family)
 Bunchberry
 Alternate leaf dogwood
 Gray dogwood
 Red osier dogwood
 Round leaf dogwood
 Silky dogwood
CUPRESSACEAE (cypress family)
 Eastern red cedar
 Eastern white cedar
 Ground juniper
CYPERACEAE (sedge family)
 Beaked sedge

Bebb's sedge
 Bladder sedge
 Chestnut colored sedge
 Cyperus like sedge
 Normal sedge
 Pennsylvania sedge
 Dark green bulrush
 Soft stem bulrush
DRYOPTERIDACEAE (wood fern family)
 Ladyfern
 Sensitive fern
 Spinulose shield fern
 Clinton wood fern
 Evergreen wood fern
EQUISETACEAE (horsetail family)
 Horsetail
 Field horsetail
 Rough horsetail
 Water horsetail
 Woodland horsetail
EUPHORBIACEAE (spurge family)
 Spurge
FABACEAE (pea or bean family)
 Alfalfa
 Alsike clover
 Hop clover
 Low hop clover
 Red clover
 White clover
 White sweet clover
 Yellow sweet clover
 American groundnut
 Black medic
 American hog peanut
 Bird's foot trefoil
 American purple vetch
 Common crown vetch
 Cow vetch
FAGACEAE (beech family)
 American beech
 Bur oak
 Northern red oak
 White oak
GERANIACEAE (geranium family)
 Herb robert
GROSSULARIACEAE (gooseberry family)
 Wild black currant
 Prickly gooseberry
HALORAGACEAE (water milfoil family)
 Eurasian water milfoil
HYDROPHYLLACEAE (waterleaf family)
 Virginia waterleaf
IRIDACEAE (iris family)
 Iris
 Blueflag
 Pointed blue eyed grass
 Strict blue eyed grass
JUGLANDACEAE (walnut family)
 Bitter nut hickory
JUNCACEAE (rush family)
 Path rush
 Soft rush
 Toad rush
LAMIACEAE (mint family)
 Catnip
 Germander
 Heal all
 Hempnettle
 Cut leaved water horehound
 Corn mint
 Motherwort
LEMNACEAE (duckweed family)
 Lesser duckweed
 Greater duckweed
 Watermeal
LENTIBULARIACEAE (bladderwort)
 Greater bladderwort

Plants of the Little Cataraqui Creek Conservation Area Field Checklist

This checklist includes vascular plants observed on the property. The sightings were reported by Blyth (1982) Davies et al. (1983) and KFN (Blue Bill 1993). None of the plants observed were ranked as species-at-risk by the Committee on the Status of Endangered Wildlife in Canada (COSEWIC) ranking or provincial level Ministry of Natural Resources.

CATARAQUI REGION
CONSERVATION AUTHORITY

- Cinnamon fern.....

OXALIDACEAE (wood sorrel family)

- Yellow wood sorrel.....

PAPAVERACEAE (poppy family)

- Bloodroot.....

PINACEAE (pine family)

- Balsam fir.....
- Eastern hemlock.....
- Red pine.....
- Eastern white pine.....
- White spruce.....

PLANTAGINACEAE (plantain family)

- Black seed plantain.....
- Common plantain.....
- English plantain.....

POACEAE (grass family)

- Barnyard grass.....
- Smooth brome.....
- Canada bluegrass.....
- Kentucky bluegrass.....
- Reed canary grass.....
- Orchard grass.....
- Manna grass.....
- Small floating manna grass.....
- Poverty oat grass.....
- Blue joint reed grass.....
- English rye grass.....
- Meadow timothy.....

POLYGONACEAE (smartweed family)

- Tartarian buckwheat.....
- Curled dock.....
- Dock leaf smartweed.....
- Pennsylvania smartweed.....
- Water smartweed.....

POTAMOGETONACEAE (pondweed)

- Curly pondweed.....
- Flat stem pondweed.....
- Floating pondweed.....
- Large leaf pondweed.....
- Long leaf pondweed.....
- Sago pondweed.....

PRIMULACEAE (primrose family)

- Creeping Jennie.....
- Fringed loosestrife.....
- Northern starflower.....

RANUNCULACEAE (crowfoot family)

- Canada anemone.....
- Red baneberry.....
- White baneberry.....
- Virginia virgin bower.....
- Kidney leaved buttercup.....
- Tall buttercup.....
- Goldthread.....
- Early meadowrue.....

RHAMNACEAE (buckthorn family)

- Buckthorn.....

ROSACEAE (rose family)

- Agrimony.....
- Common apple.....
- Pale avens.....
- Rough avens.....
- White avens.....
- Yellow avens.....
- Allegheny blackberry.....
- Choke cherry.....
- Pin cherry.....
- Wild black cherry.....
- Ashy cinquefoil.....
- Canada cinquefoil.....
- Common cinquefoil.....
- Rough fruited cinquefoil.....
- Silvery cinquefoil.....
- Northern dewberry.....
- Bristley dewberry.....
- Dotted hawthorn.....
- Downy hawthorn.....
- Common pear.....
- Canada plum.....
- Dwarf raspberry.....
- Purple flowering raspberry.....
- Red raspberry.....
- Rose.....
- Smooth rose.....
- Saskatoonberry.....
- Barren strawberry.....
- Common strawberry.....
- Woodland strawberry.....
- Narrow leaved meadow sweet.....

RUBIACEAE (madder family)

- Bedstraw.....
- Hairy bedstraw.....
- Fragrant bedstraw.....
- Marsh bedstraw.....

- Northern bedstraw.....

RUTACEAE (rue family)

- Northern prickly ash.....
- Trembling aspen.....
- Bebb's willow.....
- Hoary willow.....
- Hybrid willow.....
- Pussy willow.....
- Shining willow.....
- Stalked, slender or meadow willow.....

SAXIFRAGACEAE (saxifrage family)

- Two leaf bishop's cap.....
- Heart leaved foam flower.....

SCROPHULARIACEAE (figwort family)

- Common dwarf snapdragon.....
- Butter-and-eggs.....
- Common mullein.....
- Gypsy weed.....
- Germander speedwell.....
- Perscians' speedwell.....
- Thyme leaved speedwell.....

SOLANACEAE (nightshade family)

- Nightshade.....

SPARGANIACEAE (bur-reed family)

- Large bur reed.....

THELYPTERIDACEAE (fern family)

- New York fern.....

TILIACEAE (linden family)

- American basswood.....

TYPHACEAE (cattail family)

- Broad leaf cattail.....
- Narrow leaf cattail.....

ULMACEAE (elm family)

- American elm.....
- Rock elm.....
- Slippery elm.....

URTICACEAE (nettle family)

- Stinging nettle.....

VERBENACEAE (vervain family)

- Blue vervain.....

VIOLACEAE (violet family)

- Violet.....
- American bog violet.....
- Canada violet.....
- Downy yellow violet.....

VITACEAE (grape family)

- Virginia creeper.....
- Riverbank grape.....

Please be our eyes:

If during a visit to the Little Cataraqui Creek Conservation Area, you spot a plant that is NOT on this checklist, please contact CRCA biologist, Tom Beaubiah at (613) 546-4228 x 240, or email him at: beaubiah@cataraquiregion.on.ca.
