- wildlife viewing
- walking/hiking
- cycling
- canoeing
- fitness
- education programs
- cross-country skiing
- fishing
- photography
- picnics
- enjoying scenery
- birdwatching

Other: _____

What type of activities do you feel should be a priority for the Friends of Mac Johnson Wildlife Area?

Thank you for your contribution.

Mac Johnson Wildlife Area is a wonderful natural area located on the edge of Brockville.

It contains many interesting features such as:

- a provincially significant wetland
- an abundance of wildlife including over 160 species of birds
- a varied landscape including fields, meadows, forests, swamps and an old sand dune
- historically significant features — 1860s farmstead, abandoned railway bed and mill.

The Friends of Mac Johnson Wildlife Area are dedicated to preserving these features and helping community members to appreciate what makes this area special.

Friends of Mac Johnson Wildlife Area

The Friends are a non-profit, community-based volunteer organization dedicated to the preservation, protection and promotion of the Mac Johnson Wildlife Area and its resources.

We are volunteers and we work closely with the Cataraqui Region Conservation Authority, owner of Mac Johnson Wildlife Area.

Our objectives include:

- ☛ maintaining and improving the area with a focus on protecting the natural features and environment
- ☛ increasing public awareness and appreciation of the area
- ☛ supporting on-site education programs
- ☛ organizing special events
- ☛ raising funds from the community to support our work.

Join us

We are always looking for new members and volunteers.

You can contribute by becoming a paid member or by volunteering some of your time to assist with projects or events.

Membership fees and donations of \$10 or more receive a charitable income tax receipt.

To help keep our costs down, members are notified of upcoming meetings and events by e-mail.

Our activities

Since 1996 the Friends have been involved in a number of projects and activities including:

- ☛ rebuilding the skating shelter
- ☛ installing fencing along Centennial Road
- ☛ building docks and improving the canoe access
- ☛ improving and maintaining the native tree nursery
- ☛ trail improvements and maintenance
- ☛ installing signs and trail markers
- ☛ hosting special events like the Spring Tree Sale, Winter Fun Day and Fall Festival
- ☛ assisting with community events.

Membership

Please complete and mail, with a cheque payable to:

Friends of Mac Johnson Wildlife Area
