The shaded areas include lands identified in the table below

Screening Criteria:

Feature	Adjacent Lands
Floodplain	15m
Watercourse or waterbody	50m
Significant Wetlands	120m
Other Wetlands	30m

Notes:

1. This reference map is for Municipal and CRCA staff when considering referrals for Ontario Regulation 148/06 Cataraqui Region: Regulation of Development, Interference with Wetlands and Alterations to Shorelines and Watercourses.
2. Areas shown on this map are approximate and should not be used for detailed scaling. The map is not intended to reflect all areas subject to flooding and erosion, or other natural hazards in Loyalist Township. This map is not necessarily a comprehensive representation of all areas of concern.
3. Additional referrals in areas not highlighted on the map may exist. If any development or alteration is proposed that matches the screening criteria, CRCA referral should be made.
4. All proposed revisions to this map shall be reviewed jointly by the Municipality and the CRCA. Additional criteria and/or locations of interest may be identified in the future, and locations may also be removed.
