Ontario Regulation 148/06 Cataraqui Region:
Regulation of Development, Interference with Wetlands and Alterations to Shorelines and Watercourses
Township of South Frontenac

Screening Criteria:
The shaded areas include lands Other Wetlands General Regulated Area.

Notes:
1. This reference map is for Municipal and CRCA staff when considering referrals for CRCA. Additional criteria and/or locations of interest may be identified in the CRCA. Additional referrals in areas not highlighted on the map may exist.
2. Areas shown on this map are approximate and should not be used for detailed scaling.
3. This map is not necessarily a comprehensive representation of all areas of concern.
4. Any previous assessment and/or notification conducted may be superseded by the Municipality and CRCA referral should be made.
5. The CRCA referral process may not guarantee the removal of the CRCA. Additional criteria and/or locations of interest may be identified in the CRCA.
